HAWKESBURY, ONTARIO – The Municipal Council is very pleased with the announcement made by the Ministry of Community Safety and Correctional Services stipulating that the Town of Hawkesbury was chosen amongst the 9 municipalities in Ontario for the construction of a new police station to serve the region. These modern OPP facilities will enhance the service OPP officers provide to our community. The construction is planned for Summer 2018.

The Municipal Council has been working with the Ministries for one and a half year towards the construction of this public building.
